## M20F1:Manager donor searching module:

The screenshot shows a web browser window with the URL `localhost:8000/man_donorsearch`. The layout is identical to the donorlist module, with a purple header bar, a sidebar with a vertical menu, and a main content area. In the main content area, there are two input fields: 'Donor Id:' with the value '1' and 'Donor Name:' with the value 'Asif'. Below these fields is a large blue button with the word 'Search' in white text.

## M20F2:Manager donor searching module:

The screenshot shows a web browser window with the URL `localhost:8000/man_donorsearch`. The page has a purple header bar with navigation links: Welcome, Campaigns, Manage (with a dropdown arrow), Profile, Messages, Contact us, and logout. On the right side of the header is a search bar with a 'Search' button. The main content area features a sidebar on the left with a purple header 'Options' and a list of items: events (selected), Donors (highlighted in blue), Organizers, Calculations, Notices, and Feedback. To the right of the sidebar are four input fields for searching: 'Donor Id' (value 1), 'Donor Name' (value Asif), 'Email' (value asif@gmail.com), and 'Status' (value 1). The background of the main content area is light gray.

## M21F1:Manager organizer list module:

The screenshot shows a web browser window with the URL `localhost:8000/man_orglist`. The layout is similar to the previous screenshot, with a purple header bar, a search bar, and a sidebar on the left. The sidebar's 'Organizers' item is selected and highlighted in blue. The main content area displays a table titled 'Organizers:' with the following data:
